

BSEED central control screen

Product specification

1、Product model:

F10- background music and Tuya IOT

2、Size and colour

Product name:	Smart central control				
Length	297MM	Wide	162MM	Hight	11.5MM
Weight	1.4KG	Wire box	172*75*60MM	Colour	Grey
Appearance and color					

3.Specification parameters

IOT	TUYA Docking. Support TUYA application addition	
	Support the contro;l of TUYA all devices. as well as the scene	
voice	With recording function, Does not support voice control smart home	
Wallpaper	Custom replacement	
knob	Support adjustment: air conditioning temperature, curtain opening and closing, light color, light brightness and volume	
Scheduled restart	Support	Set the device to automatically turn off and on
Syystem	operating system	Android 8.1
	CPU	Quad core Cortex -A35architecture.1.5GHZ
	RAM	2GB
	ROM	8G
Screen	size	10 inches
	Small circular	1.28 inch 240*240
	resolving power	1280*800, IPS
	Touch sereen	Multi point capacitive touch
Interface	TF	Support,MAX 32G
	USB	Support,MAX32G
network	WIFI	2.4GWIFI
Ethernet	support	
BT	4.2	Connect your phone
ZIGBEE	support tuyu 3.0	

BSEED central control screen

Product specification

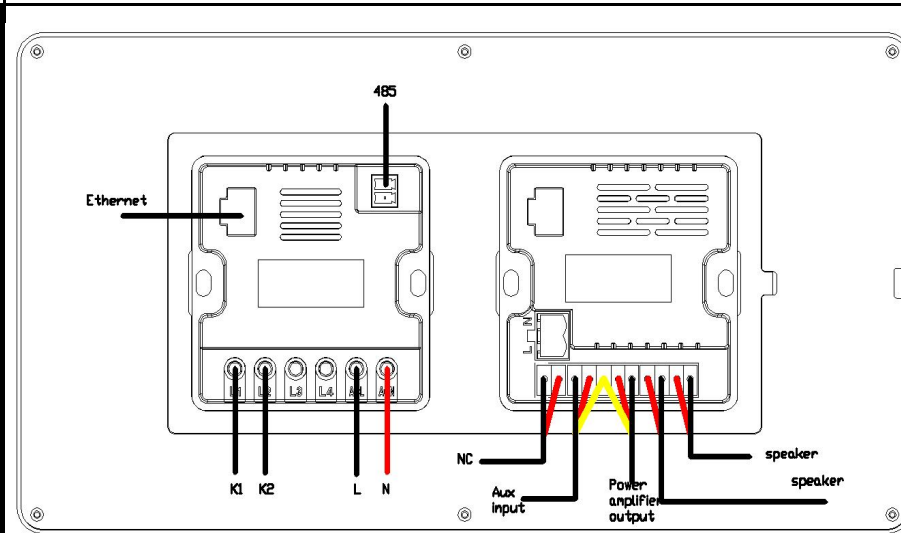

Attack and release	output power	2* (10-25W) /4* (10-25W)
	Output	4-8 Ω
	Total harmonic distortion	0.03% (1W,1KHZ)
	Frequency	20Hz-20KHz
	Audio signal to noise ratio 98Ddb	
Special functions	The bottom shell can be freely combined into double 86 or single 86, which supports playing music and intelligent switch control	
Audio format	MP3, WAV,WMA,FLAC,APE,,ACC,AC3, OGG	
Video format	MPEG-1/2/3/4, RM/RMVB,WMV,MOV,MK,VOB,AVI,3GP,H,264	
Poewer input	AC110-250V	
Audio input	AUX	
Audio out	Output analog signal	
Subwoofer	Analog subwoofer output	
485	Support	

4. Description of other functions

- 1.Support and control TUYA intelligent ecological chain equipment
- 2.Support TUYA application addition
- 3.Personalized screen saver settings
- 4.Timing switch
- 5.Support customization

5、Installation wiring diagram

Main engine wiring diagram

6、Packing

Manual +color box	holder+Screw
